

Would you like to be part of an exciting British Dressage initiative that has seen over 2000 members ride down the centre line? **Gordon Dressage Group is delighted to announce that it will be offering Quest Club classes in 2017**

Quest Club offers riders at Intro, Prelim and Novice an opportunity to take part in a fun national dressage competition – even if you’ve never competed before

You may compete either in a Team or as an Individual

Teams of three or four riders will ride as individuals across the three test levels (any combination) the best three scores count towards an overall team total. There are two age categories for teams; Under 18 (18yo & under) and Open (riders of any age)

Want to take part but individually rather than in a team? Take part in My Quest – or do both! My Quest will follow the same regional structure as Team Quest, with regional leaderboards taking the top riders to regional and then a national final

Here’s a quick checklist to get your Quest started:

- **Are you a BD member (Quest Club membership as a minimum)**
- **and are all your horses registered (FREE Associate membership)**
- **Do you have a Team Captain and a catchy name?**
- **Have you registered your team with Team Quest HQ?**
- **Have you looked up Quest dates in your region? GDG first Quest Club date is 12th February 2017!**
- **Are you ready to enter and start learning your tests?**

The same applies to My Quest – only difference is that you won’t ride for a team but individually. You’re good to go!

You’re bound to have some questions so please feel free to get in touch with Lynne Paterson, our own Gordon Dressage group committee member and Quest Club coordinator within our group (Lynne@connon.co.uk) Or have a look at www.britishdressage.co.uk/competitions/team_quest
